CHAPTER-2:

PARTICULARS OF THE ORGANIZATION, FUNCTIONS AND DUTIES [SECTION 4(1) (b) (i)]

2.1 STPI: The Background

Software Technology Parks of India was established and registered as an Autonomous Society under the Societies Registration Act 1860, under the Department of Information Technology, Ministry of Communications and Information Technology, Government of India on 5th June 1991 with an objective to implement STP Scheme, set-up and manage Infrastructure facilities and provide other services like technology assessment and professional training.

2.2 Objectives of the Society

The objectives of the Software Technology Parks of India are:

- (a) To promote the development and export of software services including Information Technology (IT) enabled services/ Bio-IT.
- (b) To provide statutory and other promotional services to the exporters by implementing Software Technology Parks (STP)/ Electronics and Hardware Technology Parks (EHTP) Schemes and other such schemes which may be formulated and entrusted by the Government from time to time.
- (c) To provide data communication services including value added services to IT/ IT enabled services (ITES) related industries.
- (d) To promote micro, small and medium entrepreneurship in the field of IT/ITES.

2.3 Functions of the Society

The STPI performs all necessary functions to fulfill its objectives and include the following:-

- 1) To establish Software Technology Parks /centers at various locations in the country.
 - a) To perform all functions in the capacity of the successor to the erstwhile Software Technology Park complex which were taken over by the STPI.
 - b) To establish and manage the infrastructural resources such as integrated infrastructure including International communication/ Data center/ Incubating facilities etc. for 100% export oriented units and to render similar services to the users other than exporters.
 - c) To undertake other export promotional activities such as technology assessments, market analysis, market segmentation as also to organize workshops/exhibitions/seminars/conferences etc.
 - d) To facilitate specialized training in the niche areas to meet the above objectives.
 - e) To work closely with respective State Government and act as an interface between Industry and Government.
 - f) To promote secondary and tertiary locations by establishing STPI presence to promote STP/EHTP scheme, and promotional schemes announced by Government.
 - g) To promote entrepreneurship through incubation programmes/ seed funds/ IP development and other awareness programmes.
 - h) To assist State Governments in formulating IT policies and liaison for promoting the IT industries in respective states to achieve an exponential growth of exports.
 - i) To promote quality and security standards in the IT industries.
 - j) To work jointly with venture capitalists for providing financial assistance to the IT industries.
 - k) To provide Project Management and Consultancy services both at national and international level in the areas of expertise of STPI.

2) To perform financial management functions which comprise inter alia the following activities;

a) To obtain or accept grants, subscription, donations, gifts, bequests form Government, Corporations, trusts, Organizations or any person for fulfilling the objectives of the STPI.

Note: Whenever any gifts, bequests from foreign Governments/organizations are accepted/ obtained they shall be routed through Government and be regulated by such directions as may be issued by Government.

b) To maintain a fund to which shall be credited:

- All money provided by the Central Government, state Governments, corporations, Universities etc.,
- All fees and other charges received by the STPI,
- All money received by the STPI by way of grants, gifts, donations, benefactions, bequests or transfers; and
- All money received by the STPI in any other manner or from any other source.

c) To deposit all money credited to the fund in scheduled Banks/ Nationalized Bankers or to invest in such a manner for the benefit of the STPI as may be prescribed. Atleast 60% of the funds shall be placed with the public sector Banks or in such a manner as may be prescribed by the Government from time to time.

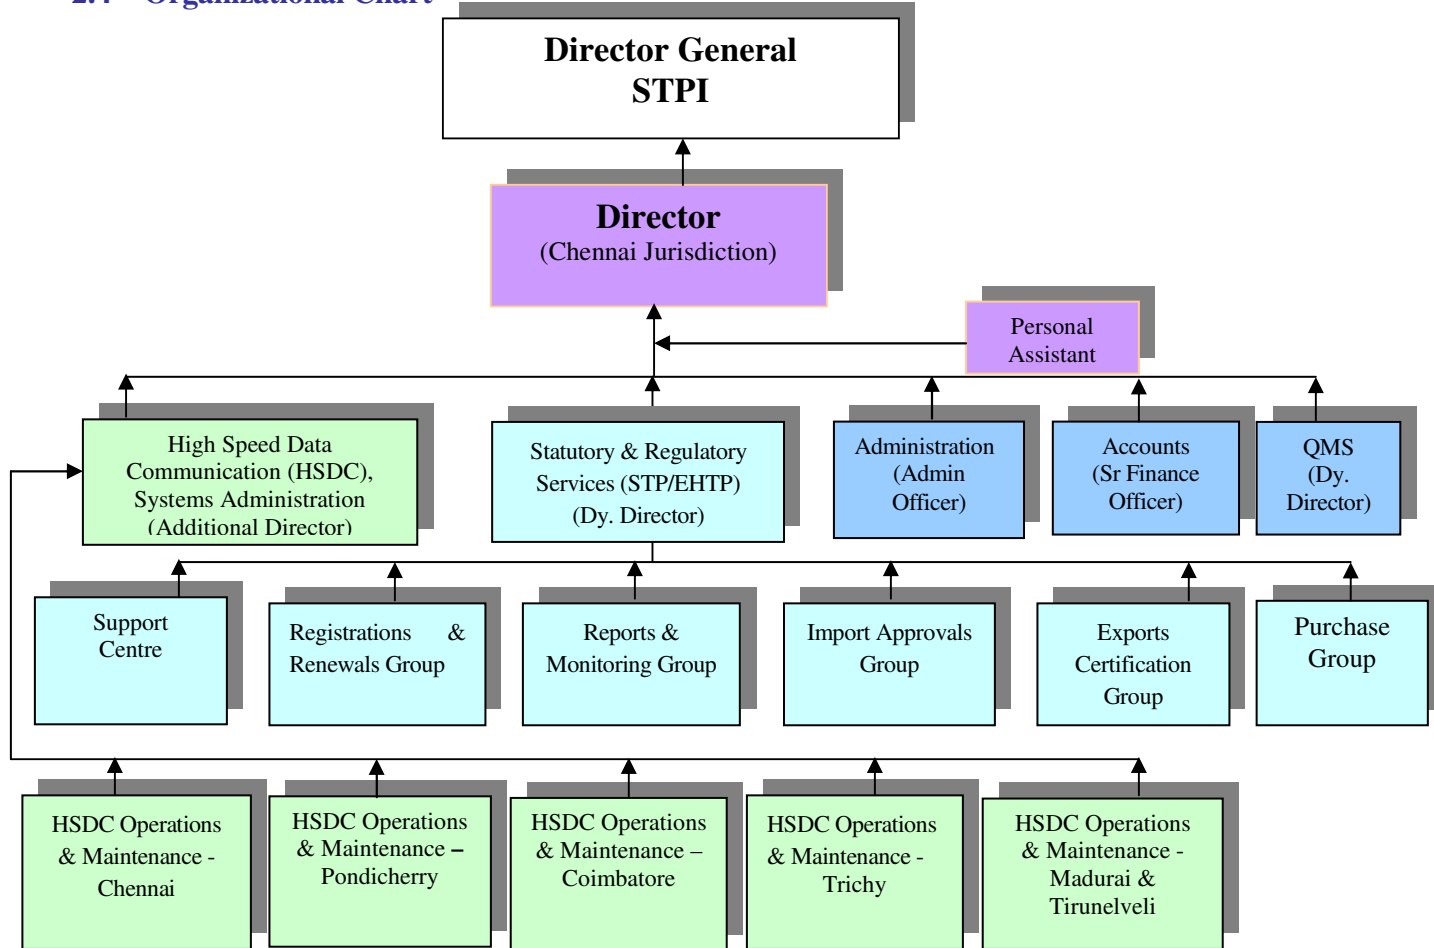

d) To draw, make, accept, endorse and discount cheques, notes or other negotiable instruments and for this purpose, to sign, execute and deliver such assurance and deeds as may be necessary for the purposes of the STPI.

e) To pay out of the funds maintained by STPUI or part thereof, the expenses incurred by the STPI from time to time including all expenses incidental to the formation and reorganization of the STPI and management and administration of any of the foregoing activities including all rents, rates, taxes, outgoings and the salaries of the employees.

3) To do all such acts and things as may be required in order to fulfill the objectives of the STPI.

2.4 Organizational Chart

2.5 Details of Services provided by STPI

2.5.1 SOFTWARE TECHNOLOGY PARK (STP) SCHEME / ELECTRONIC HARDWARE TECHNOLOGY PARK (EHTP) SCHEME

Software Technology Park (STP) is a 100% export oriented scheme for the development and export of computer software using communication links or physical media and including export of professional services. The scheme integrates the concept of 100% Export Oriented Units (EOUs) and Export Processing Zones (EPZs) of the Government of India and the concept of Science Parks / Technology Parks as operating elsewhere in the World.

HIGHLIGHTS OF STP SCHEME

- Approval under single window clearance mechanism.
- Upto 100% foreign equity is permitted.
- Goods imported / procured domestically by the STP units are completely duty free.
- Second hand capital goods may also be imported.
- Sales in the domestic market are permissible up to 50% of the export.
- Income tax benefit under sections 10A of income Tax Act upto 31st March 2011.

2.5.2 HIGH SPEED DATA COMMUNICATION FACILITY (HSDC)

STPI has designed and developed state-of-the-art HSDC Network called Soft NET, which is available to software exporters at internationally competitive prices. STPI has set up its own International Gateways at 51 locations for providing HSDC links to the software industry.

Local access to International Gateways at STPI centres is provided through Point-to-Point and Point-to-Multipoint microwave radios for the local loop which has overcome the last mile problem and enabled STPI to maintain an up time of nearly 99.9%. The terrestrial cables (fiber/copper) are also used wherever feasible. These communication facilities are the backbone of the success in the development of offshore software activities.

STPI provides the following HSDC services through this network: -

1. International Private Leased Circuits (IPLCs) in the bandwidth of 64KBPS to 8 MBPS.
2. Shared Internet Services
3. Web/Home pages – hosting, authoring & maintenance.
4. Other value added services.

STPI provides worldwide connectivity for its software export units and is radiating about more than 400 MBPS and is operating with international carriers from its earth stations/ available fiber capacity for various destinations.

2.5.3 Incubation

The incubator concept has emerged world wide as an essential component of the infrastructure required for the growth of high technology businesses including information Technology and Software Development. These Incubators provide the necessary help to nurture technology ideas into commercial successes.

STPI has launched the concept of incubation facility in many of its centers for the Small and Medium Entrepreneurs (SMEs). STPI sets up entire facility ready for commencing operations by software units from day one. It offers advantage of no gestation period and does not require any capital investment. It helps in developing confidence in the client and ensures that the business opportunity is not lost.

The Incubation facilities have the following facilities:

- Modular Built up are for ready to use by the software Entrepreneurs
- Back up power supply
- Telephones and Fax facility
- Air Condition
- Business Center
- Conference Rooms & Training Facilities
- High speed communication links, Internet & video conferencing facilities.
