

MTNL-STPI IT SERVICES LTD.
(A Joint-venture of MTNL & STPI)

MTNL-STPI IT Services Ltd. is a Joint Venture between Software Technology Parks of India and Mahanagar Telephone Nigam Ltd. The JV formed in 2006 combines the STPI's rich experience as an ISP and MTNL's track record of being India's leading telecom operating company to offer niche portal services to the Indian community.

The JV aims to provide exclusive data centre services, messaging services, business application services to the identified sectors of economic activity and thereby also popularizing the IN domain in the networked community across the world.

The Company is setting up a unique internet data centre to facilitate trade related financial transactions through the **india.in** Portal. It has immense growth potentials for experienced, dynamic and result oriented professionals in the IT field. We are looking for the people with in-depth knowledge and wide experience to handle the most challenging assignments of the Company.

1) CHIEF EXECUTIVE OFFICER (CEO)

The CEO will have the overall responsibility working out business plan, all business development activities, creation of infrastructure required for setting up Data Centre, administrative office and for developing the business strategies and ensuring its effective implementation.

The incumbent shall be Graduate/Post-graduate in Engineering/Technology or Post Graduate in relevant discipline with MBA degree from a premier institute with minimum work experience of 15 years in Information Technology sector.

2) CHIEF TECHNICAL OFFICER (CTO)

The incumbent shall be responsible for all the technical activities of the IDC, managing and guiding the technical team including system administrator, network administrators, webmaster, and helpdesk operators.

The incumbent should have Graduate/Post-graduate or higher degree in engineering/technology from reputed academic institutes with at least 10 years experience in the area of Information Technology.

The above positions are to be based initially in Chennai. Remuneration package and the remuneration will not be a constraint for the right candidate.
